As Discerned by Crocodile

This roadmap explains Part 1 of The Melding: The Knowing and will help humanity choose the path toward the House of Ehyeh and take action to change course now.

Planned sections as inspired by Yasha and OZEN:

1. Introduces three phases of The Melding: The Knowing, The Harvest, The Comeback
2. Explain what is meant by *The Knowing* phase of the Melding
3. Explain the paths and the sovereign right to choose. What this means!
4. Introduce Jesus of Yasha's explanation of 'Knowing God' as a requirement for entering the Realm of Light
5. Explain that we must know (at a basic level):
 - a. ELIHU | Origin of Origins
 - b. The Concept of God | The House of Ehyeh
 - c. Who we are (FiHA, non-FiHA, Soulless)
 - d. About the counterfeit god
 - e. The two paths: Eternal Life vs Or Not
 - f. That we must make a **conscious choice** and **request to be Sealed for the Harvest**
6. Explain that if we are unable to make a **conscious choice**, we can call out the name "Jesus Christ" and we will be sealed for the Harvest, right up until the moment our avatar releases the soul; or before the last breath for the Soulless.
7. Explain that a higher level of KNOWING GOD affects our position in the queue for the *Comeback* phase of the Melding, as well as the length of our *Comeback Journey of The Soul*, during the *Comeback*.
