# MODEL TYPE

SPROG | Order - House of Ehyeh

# PURPOSE

To introduce the order of the Divine Family, which is the  
House of Ehyeh.

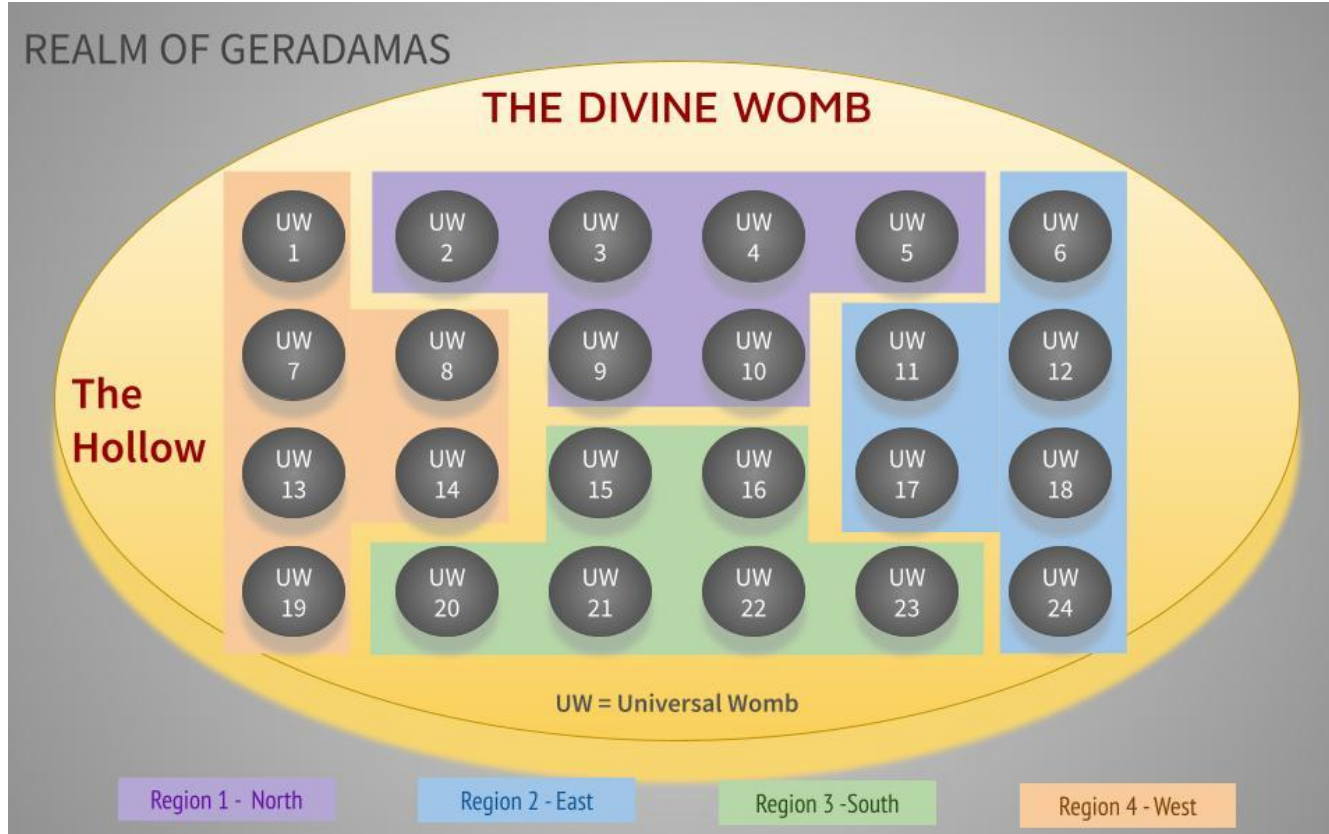

# A Word About | The Divine Womb

The Divine Family is brought forth in the Divine Womb. LORD established 24 Hollows in the Divine Womb. This is the Realm of Geradamas... a material realm. Collaborating with RUACH, DOVE brings forth a Universe in each Hollow. One Divine Family comes forth from each Hollow/Universe. For example, Family 12 (us) comes forth from Universe 12.

The size of the Divine Womb is hard to imagine right now. However, LORD ordered the Divine Womb and our Hollow in a way that helps us get our bearings as to where we are in the Divine Womb/Universe.

# The 24 Universes Are Ordered by Region...

**Figure 1.** *The Four Regions of The Divine Womb - Within The Hollow, as discerned by Crocodile (2024).*

# A Word About | RUACH

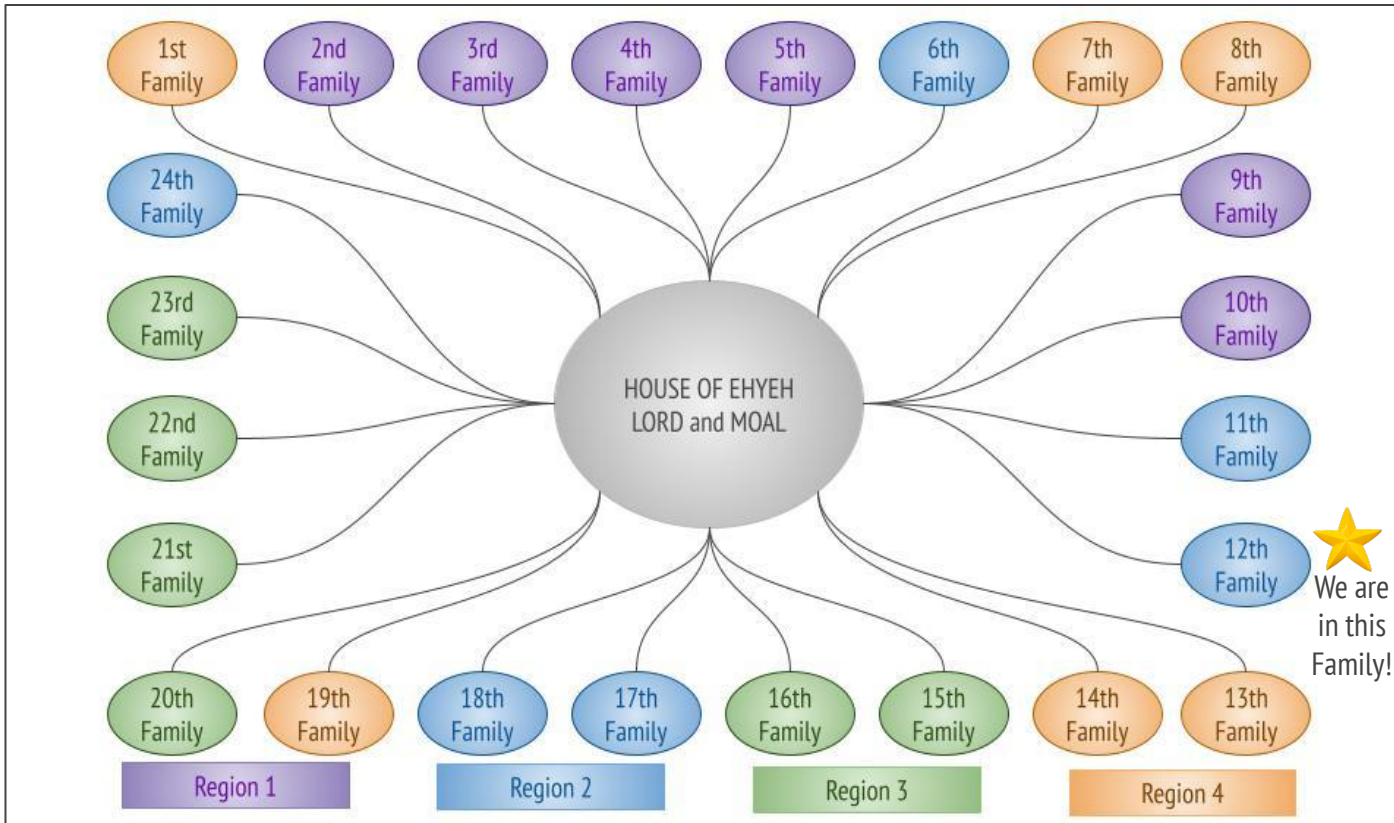

As you will soon discern, numerous life forms have sprung up throughout our [solar system](#), the Milky Way Galaxy, and the whole Universe.

This is a natural process of RUACH, which is one of the reasons LORD fondly refers to RUACH as 'Wild Thing'.

While LORD desires to bring as many of RUACH's children as possible into the Divine Family, few are able to make the transition.

# The Divine Family | Highest Order

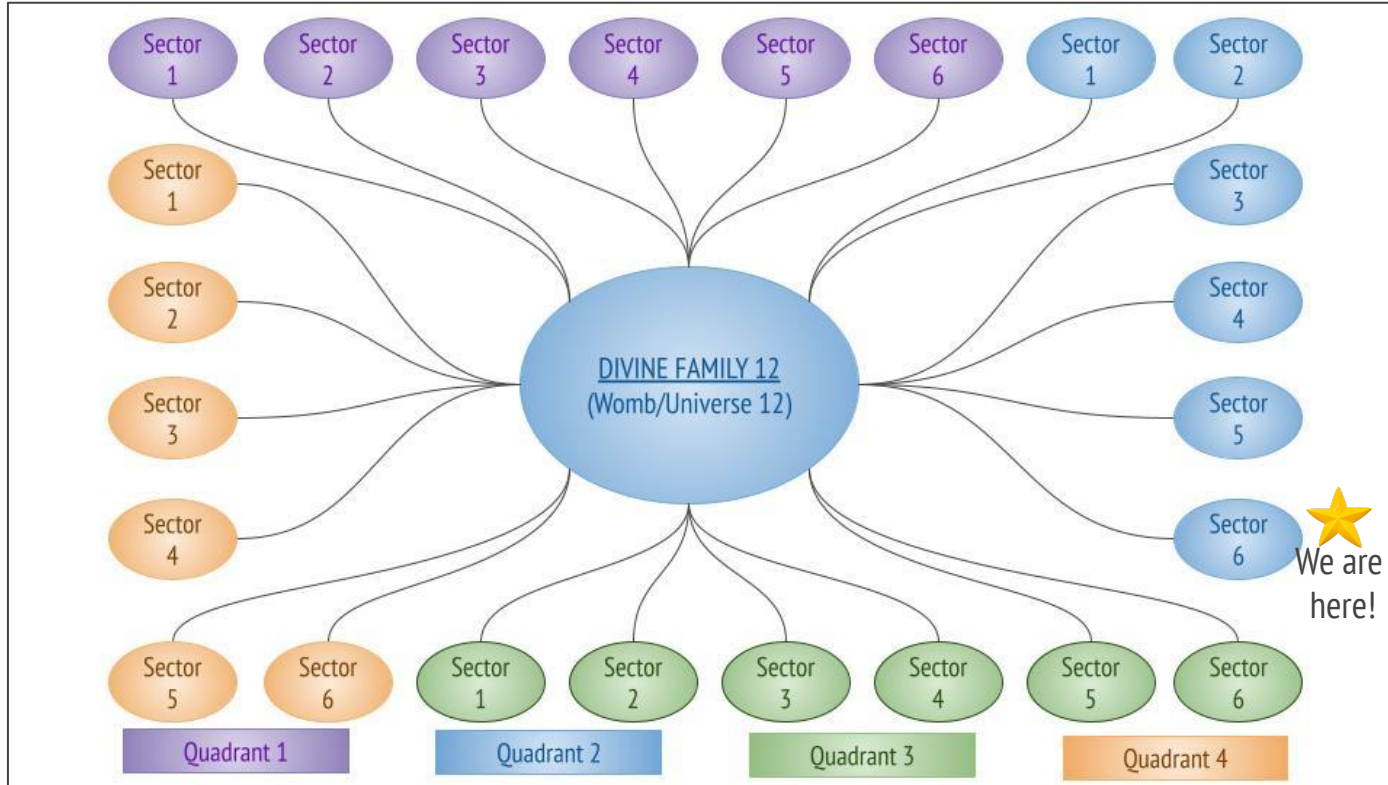

The House of Ehyeh is made up of 24 Divine Families. Each Family is brought forth in one Hollow... one Universe.

Each Hollow has four (4) *Regions*, which identify the location of each family within the Universe.

We are in the 12th Family.

**Figure 2.** *The House of Ehyeh | 24 Divine Families*, as discerned by Crocodile (December 2024).

# Locating Our Divine Family Within Our Universe

This basic order applies to all 24 Universes (Wombs).

Using Universe 12 (ours) as an example:

1. Each Hollow has 4 *Quadrants*.
2. Each *Quadrant* has six (6) *Sectors* | Total Sectors = 24.
3. Each Sector has ~500M Spiral Galaxies. Total Spirals = ~120B.
4. By design, only **appointed** Spiral Galaxies host *Divine Birthing Systems (DiBS)*... to bring forth life.

5. Each DiBS brings forth members of the House of Ehyeh in 12 Cadres of about 500M TARA... for a total ~6 Billion in 311,040 years!

**Figure 3.** *Locating Our Divine Family within the Divine Womb*, as discerned by Crocodile (December 2024).

# Using A Different Lens...

Members of the 12th Family come forth from 4 Quadrants of 6 sectors each (24 total sectors) within the 12th Universe.

Each Sector has 1 *Divine Birthing System (DiBS)*. The Milky Way Galaxy is in Quadrant 2 | Sector 6, and home to the *Orion DiBS*.

The Orion DiBS is currently bringing forth the *Last Generation - The 12th Cadre* of about 500 Million baby TARA - the Seed.

We are the *12th Seed of Orion*.

*About 12 Billion Solar Systems similar to ours, bring forth the Divine Family in our Universe!*

This is an artist's impression of our Solar System, which is the *Divine Birthing System* (DiBS) for the *Seed of Orion*.

In carrying out the will of LORD as specified in the *Strategic Plan - Realm of God* (SPROG), the DOVE collaborates with RUACH to bring forth the spiral galaxies that host the DiBS.

The DiBS - *Garden of Eden* - is literally the avatic forms of Epsilon of LORD (the Sun) and Rho of MOAL (the Earth); who bring forth their Divine Family.

# Expansion | The 12th Family Doorkeepers

- The 12th Family *discernible allocated<sup>1</sup> membership* = 144,000,000,000 (Billion) TARA
  - Orion DiBS of **Sector 6** - TARA to be birthed | **6B TARA** (12 Cadres X 500M/Cadre = 6 billion)
  - Total **Quadrant 2** TARA to be birthed | **36B TARA** ( 6B TARA X 6 Sectors = 36 billion)
  - Total **Quadrant 1-4** TARA to be birthed | **144B TARA** (36B TARA X 4 Quadrants = 144 billion)
- 144 Billion TARA | The 12th Family Doorkeepers until the *Age of Ascension* (365M Years).
- Doorkeepers of what??

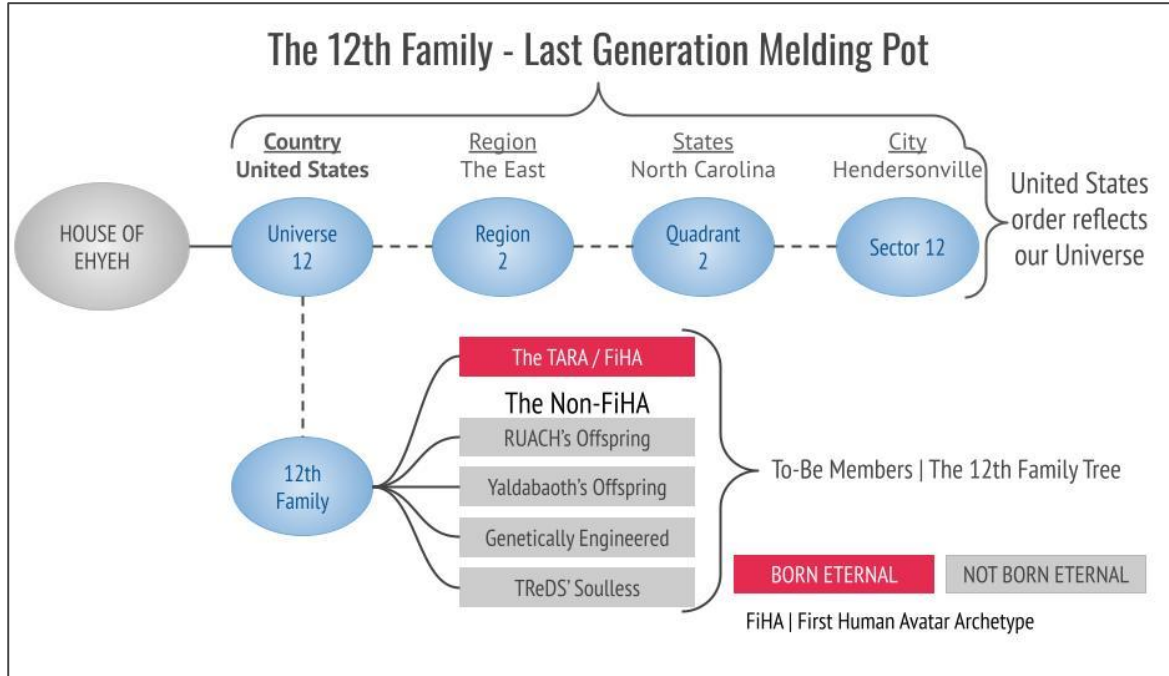

<sup>1</sup> **Allocated** | Refers to the *Light Packets* allocated by LORD to bring forth the total number of TARA planned for each Sector/DiBS.

# Expansion | The 12th Family Doorkeepers (continued)

- Each of the 24 Sectors has ~500 million Spiral Galaxies that bring forth temporal life.
- Temporal life - with no pathway to eternal life - proliferates in all Universes. As unplanned births... LORD did not allocate Light Packets, and HARPER has not recorded their names in any *Book of Life*.
- These intelligent life forms emerge without the benefit of a Light Soul (ESparkOL), and the MoON TUG Divine Process to guide them... and so they wander aimlessly, bringing the beast and confusion with them.
- In Figure 4, you may see Pathways and Doors (like portals) in your mind's eye: Among Galaxies, between Sectors, among Quadrants and among Regions.
- Our world is a good example of what happens when the doors are left open<sup>1</sup>... an invasion.

<sup>1</sup>The doors to the Orion DiBS were opened by Yaldabaoth, one of the the corrupt entities masquerading as God in our world.

**Figure 5.** Forefathers view of the United States of America | Last Generation Melding Pot, as discerned by Crocodile (2025).

Note: The Melding is expected to begin in the USA and spread across the world. See [Revelation 14:6-7](#). The message is not 'FEAR GOD,' but rather 'KNOW GOD' because the end of the Age of Humanity is upon us.

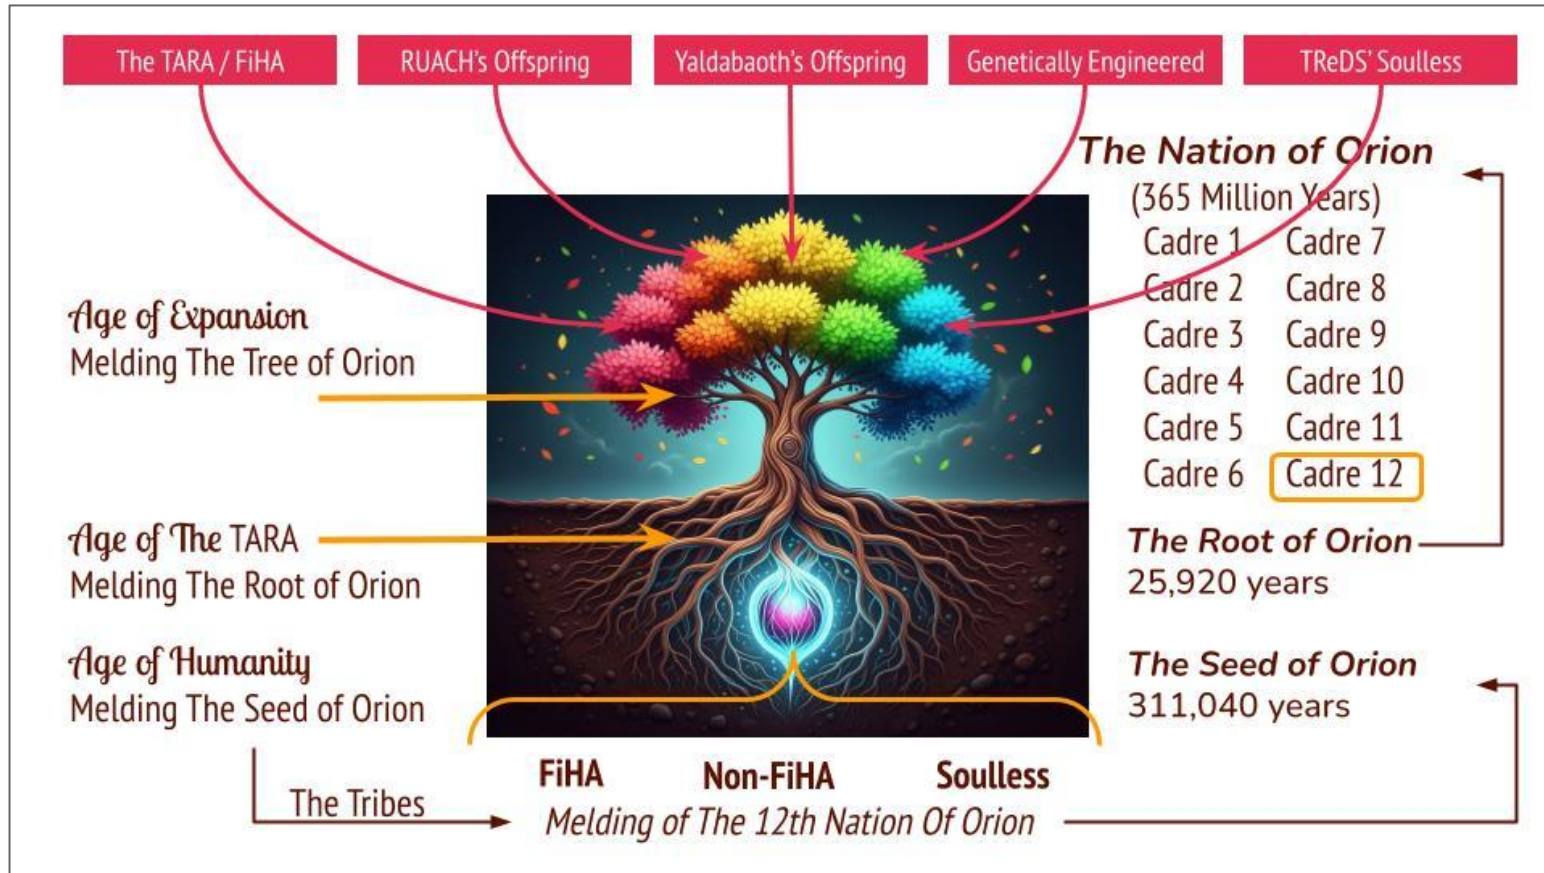

Can you see why world powers might want to destroy the US?

This model reveals two powerful concepts...

First, the United States emerged in an order that enables us to visualize the Universe and neighborhood from which we came forth.

Second, we see the source of the the 12th Family's diversity.

Putting the two concepts together, we can discern that HARPER brought forth the United States to position the Last Generation for **the Melding...** not melting (TReD's desire).

**Figure 6.** *The Melding of The Tree of Orion, as discerned by Crocodile (2025).*

As shown in Figure 6, and expanded here....

1. Evolving the Nation of Orion (12th Family) began with the *Age of Humanity*.
2. Cadre 1-12 form and expand the Seed of Orion as each completes the Journey of The Soul, a precession lasting 25,920 years/per Cadre.
3. All people living in the Last Generation of each Cadre go through the *Melding | Part I - The Knowing* - to coalesce Tribes, from which a remnant will survive the Storm ⇒ brings *Part II - the Harvest*.
4. During *Part III - The Comeback*, the Sealed/Harvested Souls come back to Earth through the normal human birthing process... except they will be in a new Age of The TARA:
  - a. All will be born with Eternal Life because they will be born as First Human Avatars/with souls allocated in the Realm of Light!
  - b. All will complete an abbreviated JOTS.
  - c. The beasts will be subdued.
