

Together, we embark on a journey that will transform our world in ways most cannot yet imagine.

This video introduces the first step in this journey.

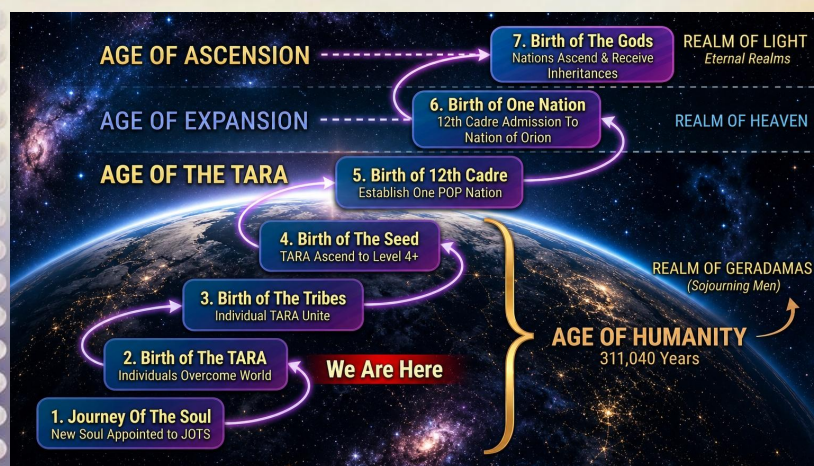

As the Age of Humanity comes to an end and transitions into the Age of The TARA, we complete our transformation from Beast into Divine Self-Expressed Sons of God - the Divine Children.

As we come to grasp who we truly are we will welcome the transition that lies ahead of us - with great anticipation!

Through mindful preparation you will not only grasp the true God, you will find yourself and your purpose; and connect to our eternal Divine Family - the source of true happiness and peace.

We transform from beasts to *Sons of Light*, during four Ages. We're in the *Age of Humanity*.

## SONS OF LIGHT

All persons, male and female, derived from a formative agent.

- Transformation ends in *Birth*. We are in Transformation 2.
- As a transformation ends, a *Transition Period* begins.
- Gates setup between births oversee & verify progress.
- Period of transition - prepares us to step into new roles in the Age of The TARA.

Our existence is not random! We are here because of a divine process called - The MoON TUG, an acronym for **M**elding of **O**ne **N**ation - **T**riumphant **U**nder **G**od.

As designed, we transition through the 4 Ages shown here... from beast to TARA to Sons of God to Sons of Light! We are in the Last Days of the *Age of Humanity*.

The *process* of transitioning from one Gate into the next, is called a '*Birth*'.

Our transformation is a lengthy process and involves 7 Gates - beginning with *the Journey of The Soul* and ending with our birth as the true Gods - the Sons of Light.

We are about to arrive at Gate 2 - *Birth of the TARA* - and this is a really big deal as we subdue our beast and triumph over the world!

Our birth as TARA requires individual effort. However, once we rise it's all about the team!

# Supreme Play : Act 2 Scene 3

Each of us has a role in Play 7.

**Series: Nation of Orion | Act 2 - Scene 3 : Last Light Before Darkness Falls**

We are all characters in:

**Act 2.**

**Melding of the Tribe**

**Scene 3.**

**The Knowing**

**'Last Light Before Darkness Falls'**

Structure of The Supreme Play, as discerned by Crocodile of OZEN, 2025.

You're not alone if you had no idea that we are characters in a Supreme Play - an epic, living Play of 7 plays, called *The Story of God!*

We are the stars in *Play 7 - The Story of The TARA*. And we are in the series titled, '*The Nation of Orion*', which is the story of all children of the true God born in our Divine Birthing System.

This series has 4 Acts. We are wrapping up *Act 1 - Journey of The Soul*, as we transition into *Act 2 - Melding of The Tribe*. Act 2, consists of 4 epic scenes; and we are just beginning Scene 3 - The Knowing, titled '*Last Light Before Darkness Falls*'.

In this scene, a spiritual awakening on a global scale, will reveal the Mystery of God, as foretold in Revelation 10:7. This is *The Knowing!*

# Our Appointed Role : Last Lights

*'The Contest' as revealed by Jesus of The Christ in The Untitled Text, and discerned by Crocodile of OZEN, 2025.*

## COMPLETE THE CONTEST!

*Self-expression of our own character as we receive, plant, grow and spread Seeds of Light; bring home our Harvest and receive our crowns & inheritance!*

At creation of our Birthing System, every one of us was appointed the *Last Light* role in The Knowing. And as sovereigns, and future Sons of Light, it is up to us whether or not we accept our role, and how we choose to self-express it, as we prepare for *The Stand*.

Our Divine Parents desire that every one of us will self-express our role as *Last Lights*, during the Knowing (Scene 3) and COMPLETE THE CONTEST!

In a nutshell... we are to receive, plant, grow and spread the Seeds of Light, we receive through the MoON TUG Gateway; and ready our tribes for the harvest, which has already begun, at the hands of the false god.

As sovereigns and Last Lights, our individual crown and inheritance in the Land of The Eternal Gardens is determined by our contribution to the HARVEST!

We expand these concepts in '*Preparation To Act Our Role.*'

# Preparation For Our Role

As characters in the *Last Light Before Darkness Falls*, there's very little time for preparation and no time for rehearsal.

We are 'on-stage' and waking up at the same time we need to prepare... like changing the tires on our car while it's hurtling down the freeway at 80 mach 1!

As we begin this leg of our journey, we find there's very little time for preparation and no time for rehearsal!

Many have been 'on-stage' for almost 300,000 years... and only now - as we approach the end days of this age, do we learn we have a major role in liberating humanity!

So, here we are... preparing for *The Knowing* and *The Stand* at the same time we are waking up... which feels like we're changing the tires on our car while it's hurtling down the freeway at mach one!

Even though our preparation will be rapid , those who follow the roadmaps will be positioned to triumph!

# Introducing | Why We Need To Prepare

**Preparation lays the groundwork for establishing a strong root. It helps us ensure we are spiritually, mentally and physically ready to ACT.**

TReDS and the House of Satan have massively deceived, diabolically manipulated and horribly abused this Last Generation of new gods since the beginning of this Age. To triumph over the world these invaders have created, requires all hands on deck... spiritually, mentally and physically prepared to ACT boldly.

Preparation to act our role as *Last Lights* means we know who we are, we know the script, and we know the truth.

Attention to preparation lays the groundwork for establishing a strong root, enhances our ability to discern truth amidst a sea of deception, and enables us to truly connect with our brothers and sisters.

## COMMON CHALLENGES FACED DURING PREPARATION

We can expect to face many of the same challenges actors experience during preparation for our roles:

1. Memory Retention
2. Emotional Connection To Our Roles
3. Adapting To Demanding And Complex Circumstances.

As we prepare for the transition into the new Age of the TARA, we can expect to face the same challenges actors experience during preparation for new roles.

First, the material encountered in *Scene 3 - The Knowing* may be wholly new to most; and controversial due to the opposing force controlling Earth. It will require significant mental discipline, and we may experience challenges in memory retention.

Next, as we awaken we can expect to face an emotional connection to our roles as we fully understand what the invaders have done to us, our families and our civilization. This will feel overwhelming and could derail us. We cannot allow this to happen.

And, life as we know it is about to change forever, as we awaken to the fake world order created by the invaders - the House of Satan. We may find ourselves adapting to demanding and complex circumstances.

Overcoming all of these challenges means we will need to be in a strong tribe of like-minded souls.

# Preparation Ensures Success!

A successful performance means you have overcome the captured World and earned your Crown and inheritance in the Kingdom of Light!

True success means you have completed The Contest and chosen the right path! It means you are:

**Triumphant - Adamic - Radiant - Amaranthine**

You are TARA!

Preparation is the key to success for each of the Last Lights of this Last Generation!

What does 'success' look like?

It means you have overcome the captured World and earned your crown and inheritance in the Kingdom of Light!

Success means you have chosen the right path and completed *The Contest*!

It means you are: Triumphant - Adamic - Radiant - Amaranthine

You are the TARA!

# Roadmap: Preparing To Act Your Role

## The Three Pathways of Preparation

Pathway 1. Preparing Our Mindset

Pathway 2. Preparing Our Soul

Pathway 3. Preparing To Act

- A. Knowing The Backstory
- B. Knowing The Current Situation
- C. Knowing The Script - Act 2

ROADMAP: Scene 3 | The GUST

ROADMAP: Scene 4 | The Stand

Because time is short, the MoON TUG paralempiores (helpers) suggest we use the *Roadmap: Preparing to Act Your Role*, to jumpstart our preparation. There's a link to this roadmap below this video.

This roadmap contains 3 sequential pathways: *Pathway 1 - Preparing Our Mindset*; *Pathway 2 - Preparing Our Soul*; and, *Pathway 3 - Preparing To Act*

These pathways are briefly introduced in the next three slides.

The House of Satan has invested mightily in subduing the gods being born on Earth, through institutionalized deception. Overcoming this diabolical machine requires intentionally focusing our minds on the pathway forward as we approach the end of this age.

*Pathway 1 - Preparing Our Mindset* encourages each Last Light to adopt these 7 steps - shown here - to help us prepare our mindset to receive, plant, grow and spread the Divine Seeds that reveal the *Mystery of God*.

Many already practice meditation, prayer and other forms of seeking and honoring God. However, we strongly encourage each *Last-Light* to review these steps for the main purpose of synchronizing terminology within your Tribe. Through structure, we seek common ground and clarity amidst a world of chaos.

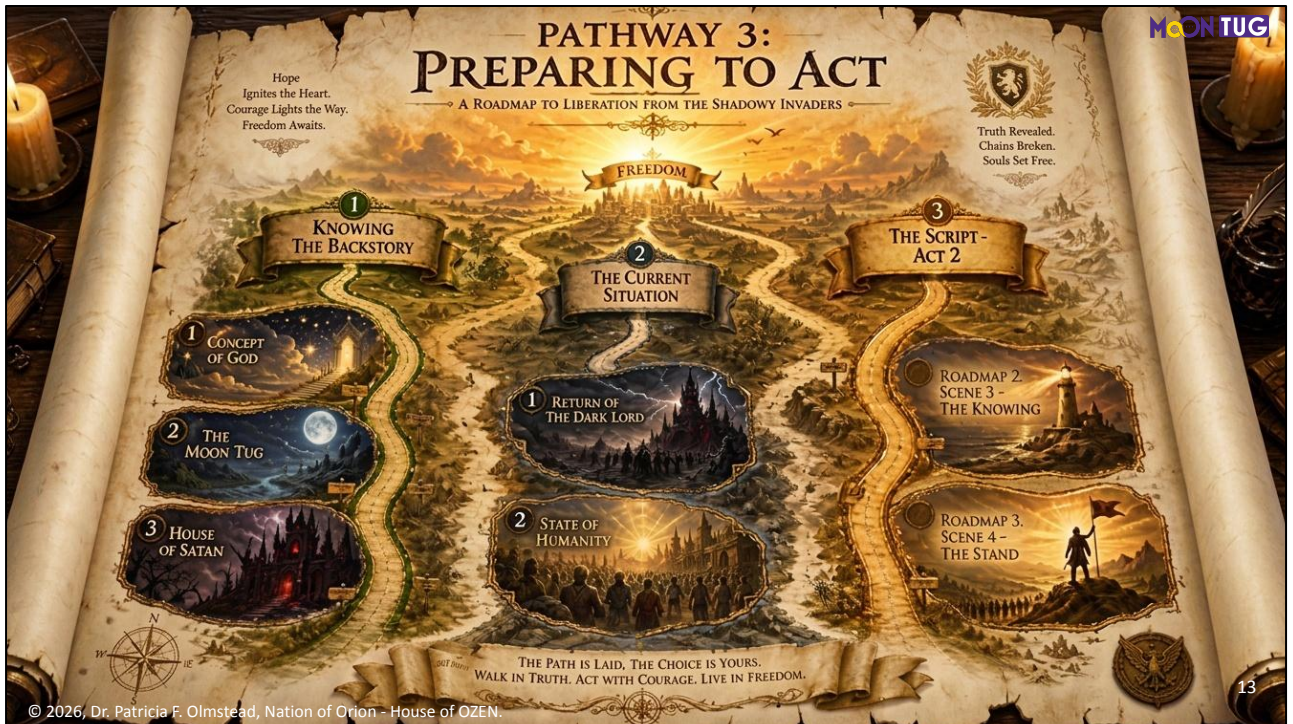

Each of the 7 steps in Pathway 1, encourage the use of intentional practices, to help us overcome the deception and noise of the world; and keep us focused on what really matters.

YOUR deliberation to prepare your mindset to receive the divine seeds by adopting intentional practices that work best for you... will help you successfully complete the Contest.

*Pathway 2 - Preparing Our Soul*, is a twofold process that helps us complete The Contest successfully. First, we come to understand our soul - which is fundamental to understanding who we really are, our purpose and our destiny. Knowing our Soul also helps us grasp how we were captured by the invaders.

Once we know our Soul, we must take steps to ask for our Soul to be sealed as a member of the Mystery of the True God. Here, we should understand the word 'Mystery' means guild. We need to be sealed as members of the guild of characters who comprise the Last Limb of the Living God. This branch of preparation also addresses the *Seal of Jesus, Son of Sabaoth* and what it means for Christians.

There are three stages in *Pathway 3 - Preparing To Act*. In *Stage 1 - Knowing The Backstory*, we focus on abbreviated introductions to three key concepts: 1. The Concept of God, 2. The MoON TUG - as a Divine Process and a Divine Intervention, and 3. the antagonist in our story - The House of Satan.

In *Stage 2 - The Current Situation*, we first reveal the *Book of Revelation* as the storyboard for the *Return of The Dark Lord* - the false god, which may come as a shock to many who believe we are awaiting the return of Jesus, the son of the God of Israel - Yahweh, who is one of many false gods. And then we take a quick look at what the House of Satan has done and plans to do to humanity and Earth.

And finally in *Stage 3*, we focus on the Roadmaps for the Act 2 scripts. We first introduce the roadmap for The GUST - which reveals the four types of Last Light roles. These are - the Gateway, the Umbralions who gather and guide the tribes, the Silvered Peregrines - the visionaries who create amazing tools to spread the truth, and the Torchstead - the body of pastors and spiritual leaders who awaken, seek redemption from teaching doctrines of error and refocus their talent and powers to help humanity truly seal their souls for eternal life, as Sons of Light.

We finish preparation with the roadmap for *The Stand*, which has three pathways: *The Reboot*, *The Gathering* and *People of Peace*.

We have reached the end of this video. This is your CALL TO ACTION! It is time to put away the things of childhood and come to understand that we are the divine children of the one true God and our world has been captured by the many false gods spawned by the source of an evil like no other - Yaldabaoth.

We are the last generation of gods to be born on this Earth. We are the 12th cadre of the Nation of Orion. This is not a call to take up arms against the enemy. It is a call to Stand - and through love, family and the Law of the one true God, overcome the system that controls EVERYTHING.

Please join us in this Stand against the House of Satan, by following the link below this video to the House of TARA. May your soul's garden flourish eternally!
